

Harold Dees turns 70 on December 24 and he's not happy about it.

Harold is so upset he asked us not to throw him a party. We are hoping he forgets this.

The party is at Harold's house on 1313 Mocking Bird Lane in Champaign.

The party starts at 5 pm. Harold will be there at 7 pm. Please do not park in his driveway.

Bring presents. Harold will be less mad at us if you bring a lot of presents.

Don't bring a guest. Harold does not like strangers and he really does not like them in his house eating cake.

Getting old sucks and Harold wants to make sure this party sucks too. Please do not disappoint.
